Band Booster Shirt Order Form

The Band Booster Shirt is available in Purple, Gray and Black with the band logo on the left pocket side. It would be wonderful if all supporters of the Dutchtown Sound could wear one when we are at our competitions, football games, working the concession stand or at any other function in which the band is involved. Let us all show our support for our BAND.

The shirts are \$25.00. Please return the completed order forms along with payment to the band room in an envelope marked "Booster Shirt".
